

About the Fund

SEIU Michigan Health and Welfare Fund SEIU Local 1

The SEIU Michigan Health and Welfare Fund was established in February 2, 1950. The Fund has been providing health care benefits for over 70 years to members who work under a collective bargaining agreement between the union and the signatory employers of those agreements in Detroit, Michigan.

These benefits can include medical, prescription, dental, vision, life insurance, and short-term disability benefits.

To find out if you are eligible for benefits or if wish to apply, please call the Fund office at 248-645-6550.
